Lucas County 2010 **YOUTH SURVEY**

[High School and Junior High Parents Letter](#)

[Fallen Timbers Parents Letter](#)

Anthony Wayne students in grades 5 through 12 will have the opportunity to participate in the 2010 Lucas County Youth Survey. Every other year since 1990, Lucas County area schools have participated in a survey of students in grades 5 through 12 focusing on risk behaviors, such as alcohol, tobacco and other drug use as well as delinquency and violence. The survey also seeks to identify youth attitudes and explores access to substances. Information received through this survey has been very valuable in helping community organizations; coalitions and schools develop needed research-based prevention and intervention services throughout the county. Participation in the survey is optional. An opt-out letter is being sent home with each student in grades 5-12 before the survey is administered. A copy of the parent letter is available at the bottom of the page. If you would like to review the survey, you may access it at: <http://www.communityprevention.org> If you have any questions regarding the 2010 Youth Survey, please contact your child's principal or the Lucas County Community Partnership at 419-866-3611.
