*National Teacher's Day
May 3, 2011*

The Anthony Wayne School District teachers demonstrate compassion and encouragement to their students day in and day out. As a supporter of the Anthony Wayne School District you know how much this commitment by our teachers can impact the lives of our children.

The Anthony Wayne Education Foundation (AWEF) would like to invite you to join in celebrating these truly special individuals on National Teacher's Day. National Teacher's Day is the day we set aside each year to recognize and thank these outstanding teachers.

In celebration of National Teacher's Day, please join us in thanking our teachers for their continued work and service by making a *gift to the Anthony Wayne Education Foundation* in their honor. In addition, please consider writing a personal note of thanks on the attached certificate, and send your note, along with a tax-deductible gift made in the teacher's honor to the AWEF by April 24, 2011. Your gift amount will remain anonymous, but *we will pass along your personal message of appreciation to the teacher you are honoring*. Rest assured that 100% of you donation will be allocated to the Teacher Grant Program. This program allows teachers to apply for grant funds from the Foundation to implement classroom projects and materials that directly benefit your student.

YES, I want to honor a special teacher for Teacher's Day with a donation of:
