Race for the Cure

Thank you so much to everyone that participated and supported this year's Race for the Cure. They are estimating that over 26,000 people were Downtown yesterday to support this cause. After the race, Chrys Peterson presented team "AW for the Cure" the award for the largest high school team. This is the 3rd year we have been recognized for our participation. We have won the Largest Team Award in 2009 and then the Largest High School team in 2010 and 2011. We could not do this without it being a community effort.

An update on our fundraising.... We have passed the \$10,000 mark and we can continue donating until October 31st.! Both the High School and Fallen Timbers donated \$5 on Powerful in Pink Friday (and enjoyed the comfort of jeans!) to raise another \$500+ to be donated to Susan G. Komen. After this donation is made, we will be on our way to \$11,000!

This is an AWesome event and we should all be proud of our students, faculty and community! Congratulations and thanks again for your continued support!
