Each year, Anthony Wayne Schools receives federal funds under the Individuals with Disabilities Education Act. These funds are used to employ some special education teachers at the Anthony Wayne Junior High School, Monclova Elementary, and Fallen Timbers Middle School and special education classroom aides at the Anthony Wayne High School and Fallen Timbers Middle School. In addition, the money has been expended for computers, printers, and software for all special education rooms; textbooks on CD; instructional materials for all special education classrooms; and assessment materials needed to conduct multi-factored evaluations. Individuals with questions, comments, or suggestions for use of these funds should contact Anthony Wayne Director of Student Services, Mary Thompson at 419-877-5377.
