

## ANNUAL NOTIFICATION OF SCHOOL SAFETY PLANS

The Anthony Wayne Local School District has an emergency response plan that provides guidance and direction in the event of an emergency situation. If there is an issue that requires notification to parents the district would use the Instant Alert System.

If you are a parent or guardian it is essential that you update and maintain your Instant Alert account. Maintaining the accuracy of your account profile will increase the ability of the school district to keep you informed in the event of an emergency. Information on the Instant Alert System can be found on the district's website at [www.anthonywayneschools.org](http://www.anthonywayneschools.org) or at <https://instantalert.honeywell.com/>
