Jeopardy Comes to Anthony Wayne Junior High

The students in Ms. Christine Utrup's seventh grade Social Studies class played a game of Jeopardy! with Jeopardy!'s own Jimmy McGuire on Wednesday, April 14th, at Anthony Wayne Junior High School. Ms. Utrup was selected by WTOL as the recipient of WTOL's Jeopardy! challenge. Mr. McGuire, part of Jeopardy!'s "Clue Crew," came to AWJH to deliver the game system and play a round with Ms. Utrup's students as part of her selection for this award. Mr. McGuire donated a brand new Jeopardy! game system to AWJH, and it will be available for all junior high teachers to use in their classes. Teachers can create questions from their course content allowing students to learn and review information while having fun playing an actual game of Jeopardy! with their class. Anthony Wayne Local Schools would like to thank Ms. Utrup, WTOL, and Jeopardy! for this wonderful opportunity.
